

### **What does the CCFC do??**

1. Represents the interests of the taxpayers during the budget process held before County officers and Commissioners as well as the School System.
2. Endeavors to keep all government in the “Sunshine” by making Open Records Requests as necessary on matters of budgets, disposition of public property, etc. and sponsoring open government forums for citizens and county officials.
3. Investigates suspected incidences of insider dealing, potential conflicts of interest and other issues inconsistent with the public trust.
4. Constantly monitors the office of the Property Appraiser to ensure the fairest and most consistent assessments possible.
5. The CCFC works with both elected and non-elected county officials to ensure a two-way flow of information on topics of interest to the CCFC and the taxpayers of Franklin County.
6. Oversee the purchasing process with the object of the County and School System receiving “best value” for the money it spends and that purchases are open, transparent and above board.
7. Responds to important and pertinent questions by commissioning lawyers, accountants and other professionals as needed to analyze and report to the CCFC Board.
